

STRICTLY CONFIDENTIAL – FOR INTERNAL CIRCULATION ONLY

This document summarizes the benefits available to Management Level 10, 11, 12 & 13 employees in India. The Company may, at its sole discretion, alter, amend, or delete any of these benefits at any time to comply with statutory provisions. Any applicable taxes or additional cost against these benefits will be recovered or withheld from the employee. The guidelines around Compensation & Benefits are made in line with various laws and company policies to safeguard the organization.

At Accenture, as per company policy, employees are given option to structure their Compensation Plan (**CompPlan**) for two consecutive windows, if missed the first window (each window is available between **1st to 17th of the month**). The **CompPlan** restructuring can be done at the time of salary revision, if any and April/May every year subject to terms & conditions.

PF – PF option ‘E : Earlier PF’ will be available for those whose Basic Salary / Pay increased to 50% of TFP (beyond 1,80,000) and the PF option was ‘Y’.
There Default PF option will be changed to ‘E’ irrespective of the new Basic Salary / Pay.
Employees can increase the value to ‘Y’ and the one-time option to reduce PF to ‘F’ from ‘E’ will be available only during April/May 2026

LTA - If LTA was assigned in the previous year, the LTA amount will default to ‘O’ when the Compensation Plan opens in April 2026. Employees may re-select LTA in their Compensation Plan provided they meet the eligibility criteria. LTA will be available only under OTR and is applicable for employees with Total Fixed Pay above ₹4,00,000/-

Meal Vouchers - If Meal Vouchers was assigned in the previous year, the amount will default to ‘O’ when the Compensation Plan opens in April 2026. Employees may re-select Meal Vouchers in their Compensation Plan provided they meet the eligibility criteria i.e. Eligible if total fixed pay > ₹4,00,000/- under OTR & > ₹10,00,000/- under NTR.

- Until Meal Vouchers Activation & KYC completion**, the allocated amount will be paid under the respective components (HRA, Conveyance/Transport Allowance, or Special Allowance), subject to TFP limits.
- After Meal Vouchers Activation & KYC completion**, Based on confirmation from the Pluxee team, the Payroll team will approve the amount in the Payroll tool. Once approved, the value will reflect on the Compensation Plan home page, and the amount be loaded onto the meal card.

NPS Amount, if assigned but no NPS contribution deposited in PRAN account in previous Tax Year, this amount will be moved to the respective components (HRA, Conveyance/ Transport Allowance, or Special Allowance, subject to available TFP balance and limits).

Note: For active NPS contributors, the amount previously allocated/deposited will appear as the default value in the Compensation Plan. The Basic Salary / Pay has increased to 50% of TFP, which would result in a higher NPS amount if the same NPS percentage applied on the revised Basic Salary / Pay. To ensure continuity, the same contribution amount will be retained by proportionately reducing the NPS percentage. During the Comp window employees can further increase their NPS contribution.

Detailed Information on Components

- **Basic Salary / Pay – Fully Taxable**

Non-Editable component: Basic Salary / Pay is 50% of Fixed Pay which is standard that is fixed by the company. The basic salary / pay cannot be reduced during the tenure with the Company.

- **Provident & Pension Fund - Tax-free subject to fulfilling tax provisions**

- If opted for “Y” option, the Company Contributes 12% of Basic Salary / Pay towards Employer’s Provident & Pension Fund however, the same is part of Total Fixed Pay.
- If opted for “F” option, the company will contribute ₹1800 per month towards Employer’s Provided and Pension Fund however, the same is part of Fixed Pay (this option is available if basic salary / pay is > ₹15,000 per month).
- If already a PF member before, “N” option will not be available when structuring Compensation Plan
- ‘N’ option is available if basic salary / pay is > ₹15,000 per month and not a PF contributor before.
- On opting for PF in the compensation plan, the employee will have to continue with it until their service in the organization.
- If there is salary revision during the year, employee can switch PF from “N” to “F” / “Y” and “F” to “Y” but not allowed to reduce PF from “F” to “N” / “Y” to “N” / “Y” to “F”.
- Due to Wage Code Implementation **Earlier PF i.e Option “E”** will be applicable only to existing employees and will be available for selection during **TY 26** only, once selected downward changes not allowed.

- **House Rent Allowance - Partially Taxable subject to fulfilling tax provisions (under OTR)**

HRA is one of the components of Compensation Plan and the guidelines are as below:

- a. This is a non-editable component and part of the compensation plan, subject to TFP availability and limits.
- b. HRA can be maximum upto 65% of Basic Salary / Pay
- c. Employee to declare rent details under Tax Declaration & Proof Submission page on [Payroll Tool](#) to avail tax benefit
- d. If rent is declared in tax page, the tax benefit for HRA is minimum out of below three rules:
 - Rule 1 Actual HRA received
 - Rule 2 50% of basic salary / pay (Mumbai, Delhi, Kolkata, Chennai, Bengaluru, Hyderabad, Pune & Ahmedabad) & 40% of basic salary / pay (other cities)
 - Rule 3 Rent paid less 10% of basic salary / pay
- e. To claim the tax benefit, employee must share the below proofs –
 - i. Monthly rent receipts (consolidated receipt not allowed)
 - ii. Owner PAN card copy a must, if rent > ₹8333 per month
 - iii. Rental Agreement if rent > ₹8333 per month
 - iv. Proof of payment is mandatory (screen shot of rent paid via wire transfer, UPI etc.)
(no cash payment allowed)
- f. Work & Rent location should be same
- g. Rented accommodation for this HRA exemption should be claimed basis the place of residence*.
*Except NCR for claiming HRA exemption, employee’s work location & residence should be same.

- **Reimbursements: LTA**

Allocation & Tax benefit will be allowed only under OTR (eligible if total fixed pay > ₹4,00,000/-)

All employees are entitled upto an amount of ₹40,000 (as per reimbursement eligibility - please check the [Payroll Tool](#) for the reimbursement breakup and eligibility) towards reimbursements. Reimbursement eligibility will be prorated to the days worked by employee in the company in a Tax Year (April – March). Employee will not be able to claim reimbursement more than their prorated eligibility as on the day of claim.

As part of reimbursements employees can claim the following:

Leave Travel Allowance (LTA) - Tax-free subject to fulfilling tax provisions

An employee is entitled to LTA upto ₹40,000. LTA eligibility will be prorated from April or DOJ whichever is later till March or DOL whichever is earlier during the TY. Employee will not be able to claim reimbursement more than your prorated eligibility as on the day of claim. The exemption is available twice in a block of four calendar years. The current block of four calendar years is January 2026 – December 2029.

- Under LTA component, employee can assign any value upto entitlement. Once declared, LTA cannot be reduced till next Annual Cycle but can be increased upto max entitlement if there is a salary revision during the year.
- Unclaimed amount is paid under “Leave Travel Allowance” component in March as taxable.
- For claiming LTA employee should avail at least one day earned / casual leave on a business day during the period of travel and LTA exemption is available for actual costs incurred on travel (to the extent of Economy class airfare / 1st class AC Rail/ Volvo Bus) and is based on evidence furnished in support of claim. Travel by taxi not allowed.
- The LTA claim should be accompanied with the LTA form & original supporting. Shortest distance of travel will be considered. For Air travel along with the tickets the original boarding pass must be furnished for the claim to be considered. LTA can be claimed only for the domestic travel and the travel should start from the place of work. Taxi bills/travel agent bills will not be considered for tax exemption.
- LTA can also be claimed for dependents (which includes parents, spouse, children, siblings) provided their details are updated on [Payroll tool](#) >Master Setup page as dependents. Also, it is mandatory for employee to accompany his dependents in the same journey.
- All supporting should match the LTA claim form.

- **Meal Vouchers - Tax-free subject to fulfilling tax provisions**

- Eligible if total fixed pay > ₹4,00,000/- under OTR & > ₹10,00,000/- under NTR
 - Enter a Meal Voucher amount between ₹13,200 and ₹52,800 p.a., in multiples of ₹1,200 p.a. (₹100 per month).
- If any amount other than a multiple of ₹1,200 p.a. is entered, the system will automatically round it up to the nearest multiple of ₹1,200 p.a., even if the difference is as small as ₹1.

Action on compensation plan page–

- Allocate the value towards Meal Vouchers using the Meal Vouchers Planner tab available on the top of compensation plan
- Second Meal Vouchers page will open – employee must select the amount basis the available fund visible on the screen.
- It can be increased in the next increment cycle and / or annual cycle, but it can neither be decreased nor opt out during the tax year.

Meal Voucher Activation Process -

- Employees will receive the activation mailer from Pluxee team.
- Employees need to complete Pluxee activation & KYC process based on that Pluxee will dispatch meal card to the employee.
- **Scenario 1** - Once the above process completed and confirmation received from Pluxee Team – Payroll Team will approve the allocation on payroll tool.

- From the respective month onwards Meal Vouchers amount will be loaded to the Pluxee Card and accordingly the value will reflect in main compensation plan page.
- **Scenario 2** - If you miss completing the above-mentioned Meal Voucher KYC process then the amount will be paid in the monthly salary under the respective components i.e. (HRA, Conveyance / Transport Allowance, or Special Allowance subject to limits).
- Status will be visible on this Meal voucher Page.

- **National Pension System**

- Employee can contribute, between 0.01% to 10%/14% (Max. 10% of Basic Salary / Pay under Old Tax Regime) (Max. 14% of Basic Salary / Pay under New Tax Regime) and should not be less than ₹1000/- per annum.
- can opt for NPS provided their Fixed Pay $\geq$ ₹3,00,000/-.

Action on compensation plan page–

- Allocate the value towards NPS using the NPS Planner tab available on the top of compensation plan
- New NPS page will open – employee must select the amount basis the available fund visible on the screen.
- NPS can be increased in the next increment cycle and / or annual cycle i.e. April, but neither it can be decreased nor opted out during the tenure with Accenture.

NPS Process -

- PRAN is mandatory for contribution.
- Employee has to open PRAN Account, map with Accenture and update the active PRAN No under Master Set- Up on [Payroll Tool](#) by 17th of the month.
- Employee with Existing PRAN Account must complete the PRAN mapping process with Accenture and update the active PRAN No under Master Set- Up on [Payroll Tool](#) by 17th of the month.
- **Scenario 1** - Once the above process is completed and confirmation received from POP - Payroll Team will approve the allocation on payroll tool.
- From the respective month onwards NPS amount will be deposited to the active PRAN Account and accordingly the value will reflect in main compensation plan page.
- **Scenario 2** - If you miss completing the above-mentioned NPS process then the amount will be paid in the monthly salary under the respective components i.e. (HRA, Conveyance / Transport Allowance, or Special Allowance subject to limits).
- Status will be visible on this NPS Page
- Note : Once employee updates the percentage amount, then that amount will be calculated by default (monthly earned basic salary / pay * percentage declared).

- **Special Allowances – Fully Taxable**

Special allowance is the balancing figure, i.e., fixed pay less the amount allocated in other components. This component is not applicable for International Workers (Non-India Passport Holders).

- **Conveyance / Transport Allowances – Fully Taxable**

This component is not applicable for International Workers (Non-India Passport Holders).

ML 12&13 - ₹60,000 p.a., ML 10& 11- ₹1,44,000 p.a. or the balancing amount of TFP whichever is lower.

1 What is CompPlan and its purpose?

[Top](#)

Ans As per Company Policy, employees are given option to structure their compensation according to guidelines defined by the Company; this is called CompPlan. The purpose of CompPlan is to manage the Fixed Pay in most tax-efficient manner and making better monthly cashflow.

2. What are the timelines to submit CompPlan?

[Top](#)

Ans There are three different timelines available basis the New joiner, Salary revision & Annual cycle –

- **New Joiner** – Two consecutive submission windows will be available from the 1st to the 17th of the joining month. If the submission is missed, a second window will open in the following month.
- **Salary Revision** – Two consecutive submission windows will be available from the 1st to the 17th of the Salary Revision month. If the submission is missed, a second window will open in the following month.
- **Annual Cycle** – Applicable to all active employees for restructuring their compensation plan (as per guidelines). Two consecutive windows will be available from 11th to 17th April. If missed, a second window will be available from 1st to 17th May.

Note : You may submit your compensation plan multiple times before the 17th, and the updated plan as of 17th will be consider as final.

3. I missed to submit my CompPlan in the first Window; what will happen to my Salary for April & CompPlan submission?

[Top](#)

Ans Your salary for April will be processed and paid based on latest CompPlan (i.e. March) available in the system. There will be another window available to do CompPlan between 1st to 17th of May.

4. If I miss to set & submit my CompPlan in the second window also, what will happen to my CompPlan?

[Top](#)

Ans a. If you are a new joiner [Click here](#)
b. if you are an existing employee [Click here](#)

5. Can I change my CompPlan during the year after 2nd window?

[Top](#)

Ans If you fail to restructure the CompPlan by 17th May, you will be not allowed to set your CompPlan and system will freeze your latest CompPlan for the year on 18th May but you will be allowed to edit the CompPlan, if there is a salary revision, you can increase values upto entitlement under LTA & Meal vouchers however it cannot be changed downwards.

6. What all options I will have for editing CompPlan when there is a salary revision?

[Top](#)

Ans As and when, we will send separate FAQs to employees who receives salary revision during the year.

7. How does Special Allowance work?

[Top](#)

Ans Special Allowance is Balancing figure i.e. Fixed Pay less all the other components. Note: Please go through Quick View above

8. Since I-am a new joiner, last month default CompPlan was done when I joined; Can I edit now?

[Top](#)

Ans You can restructure your CompPlan in line with [QuickView](#) above. You can review above questions as relevant for you.

9. I was a new joiner, I missed to edit the CompPlan in the second month of joining, what will happen?

[Top](#)

Ans If you miss to submit compensation plan in the second window/second month of joining then default CompPlan will prevail for the Tax year.

10. What is default CompPlan and how it works?

[Top](#)

Ans For new joiners, when they missed to submit their CompPlan within permitted timelines, there will be default CompPlan done by system and the same is mentioned above guidelines [Click here](#)

11. What is the procedure of claiming Salary Reimbursement?

[Top](#)

Ans The following is procedure of Salary Reimbursement Claim:

- There must be allocation under the component that employee wishes to claim.
- Employee must book online reimbursement claims on [Payroll Tool](#) during the window (26th of current month to 12th of following month)
- Employee must upload scan copies of original supports of expenses along with reimbursement booking sheet and Online LTA claim form (if claiming LTA) (scan copy of original boarding passes if travelled by flight) during the window (on or before 12th of month) on [Payroll Tool](#) > Reimbursement > Reimbursement Booking Page.
- Claim eligibility criteria:

Salary Reimbursement Component	Whose Claim	What all expenses
LTA	Self & Dependents	Restricted to Travel Bills only (Flight, Train or Bus Travel). Original Boarding Passes must along with Flight Tickets. Minimum 1 earned/ casual leave between Travel dates. Taxi / Cab / Self Owned Car Bills/Travel agent bills are not considered from Tax perspective. Domestic travel only.

12. Can I know how the joining bonus is treated in payroll, in terms of taxation?

[Top](#)

Ans: Joining Bonus is taxable in the hands of employee and the tax is recovered from the payment. Say, employee is in 20.8% bracket and the JB amount is ₹10,000; we will recover ₹2,080/- as tax and balance is paid along with the salary.

13. In case, I was paid Joining Bonus and have resigned without completing the agreed tenure for Joining Bonus; how does recovery happens, what will be its impact on income tax?

[Top](#)

Ans: Full gross amount of the JB/RB will be recovered from employee resigned within the lock-in period where JB/RB was paid. Please note that such JB/RB recovery would not be adjusted against taxable income of the employee even though it was paid & recovered in the same Tax Year.

14. For Compensation related query, where International workers can reach out to?

[Top](#)

Ans International Workers can write an email to - iw.prl@accenture.com
